## WORK EXPERIENCE

---

### Project Trainee

Tata Communications

June 2025 - September 2025

*Intern*

- Developed Innovation PoC mobile app for navigation based shopping.
- Developed feature sdk to alert user in proximity of location enhancing user interaction.

### Network Managed Expert

Chegg

Feb 2024 - Present

*Freelance*

- Worked as a remote Mathematics Subject Expert.

## PROJECTS

---

**Custom python version:** Developed 'utnampython', a customized Python variant adding 2 **built-in** functions, 2 libraries with **24** algorithms. Achieved a **1.5x speedup** in the 'datetime' module. Introduced custom interpreter with easter egg commands for fun. Built installers for **x32 & x64** bit Windows architecture. Gained in-depth experience in language development and performance optimization. [ [\(Github\)](#), [\(Try the installer\)](#) ]

**Chopsticks game bot:** Solved the two player hand game 'chopsticks' using C++ and developed a Web-Assembly bot using **customized variant of MiniMax** making it work on **graphs** to predicts the next best move which defeats **100%** of the players. [ [\(GitHub\)](#), [\(Play with bot\)](#) ]

**Neural Note:** Built desktop application for text editor with NLP and API based LLM where users can use their own AI APIs, using Python, QT [\(GitHub\)](#)

**Matex App:** Built app that converts mathematical expressions into python code expressions & other 7+ android applications using Python, KivyMD, Java, Flutter [\(View\)](#)

**Whatssave** Built an android app to save WhatsApp Statuses (photos/videos) Dart, Flutter [\(View\)](#)

## SKILLS

---

**Technical Skills:** Languages:

Python, Java, C++, JavaScript, Typescript, Dart

Frameworks & Libraries: React, Node.js, Flutter

Areas:

Web Development, Application Development, Machine Learning, Data Science

Tools & Environments: Linux/Unix Environment, Git, VS Code

**Soft Skills:** Communication, Emotional Intelligence, Leadership, Time Management [\(Certifications\)](#)

## CERTIFICATIONS & AWARDS

---

**Competitons:** Won cash prizes at Math (1st Runner Up) and Ad-making (1st place) competitions. [\(View\)](#)

**Certificate:** Data Structures and Algorithms Complete Course - CPP & JAVA [\(View\)](#)

## EDUCATION

---

**Bachelor of Technology, Computer Science & Engineering**, IEM Kolkata

Expected 2027

Semester wise SGPA (8.36 to 9.06 to 9.35 to 9.12)

**Intermediate, Senior Secondary**, B.D Academy

2022

Score: 91%
